Gentlemen:

This refers to previous correspondence regarding the calculation of Maintenance of Way meal and travel allowances pursuant to Article I of the February 27, 2012 Memorandum of Agreement.

In accordance with the February 27, 2012 Agreement, meal and travel allowances are subject to a semi-annual adjustment on July 1, 2016, based on changes in the CPI-W. In accordance with our October 31, 2015 letter agreement, clarifying how each semi-annual adjustment is determined, the July 1, 2016 adjustment is based on changes in the CPI-W, if any, for the 6-month period ending on April 30, 2016. For the measuring period that ended April 30, 2016, the percentage change on the CPI-W was +.09%, making the unadjusted index \$233.438. Due to the unadjusted index rising above 233.229 (the last index value that resulted in an increase in meal and travel allowances), there will be an upward revision to the meal and travel allowances for the BMWED under the October 31, 2015 letter agreement.

Accordingly, the BMWED meal and travel allowances will be as follows for the period July 1, 2016 – December 31, 2016:
