Gentlemen:

This refers to previous correspondence regarding the calculation of Maintenance of Way meal and travel allowances pursuant to Article I of the February 27, 2012 Memorandum of Agreement.

In accordance with the February 27, 2012 Agreement, meal and travel allowances are subject to a semi-annual adjustment on January 1, 2019, based on changes in the CPI-W. In accordance with our October 31, 2015 letter agreement clarifying how each semi-annual adjustment is determined, the January 1, 2019 adjustment is based on changes in the CPI-W, if any, for the 6-month period ending on October 31, 2018. For the measuring period that ended October 31, 2018, the percentage change on the CPI-W was +.98%, making the unadjusted index \$246.997. Due to the unadjusted index rising above 244.607 (the last index value that resulted in an increase in meal and travel allowances), there will be an upward revision to the meal and travel allowances for the BMWED under the October 31, 2015 letter agreement.
